

## **SUPPORTING STUDENTS AND THE COMMUNITY**

On November 4, 2014, our residents –YOU– passed a bond issue that made it possible to renovate Maddux Elementary and provide improved academic environments for our students.

On January 12, 2017 we broke ground on the Maddux construction project.

Today, we dedicate our renovated school to the children who walk its halls and the community and staff who generously support innovative and safe learning environments. Because of you, the renovated Maddux Elementary is a source of pride for our students, teachers, parents, staff, and the community as a whole. Together, we have helped ensure success for all students.

THANK YOU for partnering with us!

THANK YOU for helping us provide a school that is better equipped to meet the needs of every student!

THANK YOU for helping us save on operational costs through an updated, energy efficient building!

THANK YOU for lending your time and talents throughout the research, design, and construction processes to create a school that will serve students and residents for more than 25 years!

Today, we come together to celebrate a school that is a powerful symbol of our strong and vibrant community and our dedication to education and the future of our students.

THANK YOU FOR YOUR SUPPORT!
